

Olivehurst Public Utility District

Agenda Item Staff Report

Meeting Date: 4/04/24

Item description/summary:

Consider moving to Board Meeting for a Community Park Garden.

OPUD has received a request to create a community Garden at Tahiti Park (Fruits and Vegetables Garden) via a local resident that lives within the area. The requester has experience creating local gardens (Working on helping Playzeum restore their garden, etc..) and her husband is a commercial landscaper (One who's developing a future park for OPUD). The requester would like to present the idea to the committee covering the concept and request the cost/waive fee for creating the garden. The garden would be created, maintained, and managed by the requester. There are no dimensions provided or schedule of fruits/plant desired until requester receives interest from the board.

The request is listed as a non-profit but they have not gone through the process for Tax Exempt 501c3 yet. The company name is Honey On The Horizon Community Farm and Garden (#99-1754612).
