

Olivehurst Public Utility District

Agenda Item Staff Report

Meeting Date: June 20th, 2019

Item description/summary:

Discuss OPUD's Parks Grant status and gather feedback from the Community on Park Design.

As has been discussed in previous meetings, we are in the process of applying for a grant that would allow us to renovate the Olivehurst Community park. We are also applying for the same grant to aid in construction of the Plumas Lake Community Park. One of the biggest categories in the rubric is public participation. Over the course of the next couple months, we will be holding multiple workshops to gather feedback from the community on what they want to see in their parks. Tonight will be the first meeting for the Olivehurst Community Park.
