

Olivehurst Public Utility District

Agenda Item Staff Report

Meeting Date: December 12, 2019

Item description/summary:

Annexation of Industrial, Sports and Entertainment Zones update. This item has been discussed in many committees and Board meetings. The LAFCO hearing was extended to Wednesday January 8, 2020 at the request of legal counsel for one of the major land owners. There were several minor edits to the LAFCO resolution of annexation as well that will be incorporated into the resolution presented at the January LAFCO meeting in an effort to “clean up” the resolution while we are waiting for the meeting. The water and wastewater studies are wrapping up and I hope to bring the findings to the January committees and/or Board meeting.
