

# Olivehurst Public Utility District

## Agenda Item Staff Report

**Meeting Date: June 17, 2021**

### Item description/summary:

**Property/Liability Insurance Increase.** SDRMA provides the Districts property/liability insurance and workers compensation insurance. Staff have explored options with other insurers but have not found an alternate. The District's drivers' policy was not within Interwest insurance guidelines. ACWA, a JPA similar to SDRMA, does not provide coverage for fire departments. The District will have to remain with SDRMA for 2021-22. The preliminary premium for property/liability is 6% higher than in 2020-21. Workers compensation decreased by 40% due to a decrease in the modification factor from 104% to 75%

### Fiscal Analysis:

	<u>2020-21</u>	<u>2021-22</u>
Property and Liability:	\$ 200,901	\$212,739
Worker's Compensation	97,338	56,073

### Sample Motion:

Make motion to select property/liability and workers' compensation coverage with SDRMA.
