## Agenda Item Staff Report

**Meeting Date: August 19, 2021**

### Item description/summary:

**South County Infrastructure Update.** This item has been discussed in numerous Board meetings and committees. We are continuing on the design, CEQA and property entry/acquisition. The reimbursement agreement with Wheatland has been executed. We still have a few properties that we need to gain access to that we are unable to establish contact of the owner or do not receive the signed permission to enter the property. We are trying to gain access by contacting the owners locally. We are looking into changing the location of the required lift station on McGowan Parkway because we were unable to gain access to the 1<sup>st</sup> choice site. We have only one small parcel we need to gain access to. Other sites have been mitigated by moving some of the infrastructure around to make use of other sites we can gain access to.
