

Good morning BriAnne,

I wanted to submit my request for the Christmas Camp we would like to hold.

Dates: Dec 18, 19 and 20

Times: 9:30am to 11:00am and 5:30pm to 7:00pm

Location: Olivehurst Community Park

Extras:

1. We would like to have a portable bathroom set for this camp in case anyone needs to use the restroom, this camp will have kids from 6 years old up to 12 years old plus the adults bringing the kids. These bathrooms would be set on the 18th and be removed on the 21st in the morning.
2. Also for the PM session we have tower lights that we would like to use so everyone can see. If you guys have a specific place we can place them that would be great. The tower lights would be set each evening and be removed each evening.

If you need anything specific from me please let me know.

Thank you
