

General Manager Report of Activities for September/October 2026

October 30, 2026

Building Permits	We have had 4 in Plumas Lake and 7 in Olivehurst since the beginning of September.
Sports, Entertainment and Industrial Infrastructure	OPUD and Wheatland have both approved all the agreements. We are scheduling a groundbreaking ceremony.
Fire Dept.	LAFCO approved the MSR with our changes and tabled the SOI portion for another meeting date. They have selected a consultant to help with SOI determination.
Ad-Hoc Committees	Currently we have the following ad-hocs: audit, and South County infrastructure, South County Infrastructure Funding, Youth Center and County liaison.
IRWMP Grants	The steel main project first and second phases are complete. However, we had unused grant money that the state is allowing us to use to continue the projects with the AMI meters.
Well 35	Well 35 and the additional filter project has started. Yard piping is in and PG&E application is complete. We are waiting on electrical control panels.
Parks Master Plan	Staff and consultant are working out details for the final report
Wastewater and Water Capacity Fee Updates	We are planning on bring the draft master plan to the Board on the November regular meeting for approval.
OPUD Pool	Pool season has ended and was very successful.
Strategic Plan	The consultant is wrapping up the final draft.
Youth Center	We will continue to discuss options at future committees. Also, we have set up an ad-hoc for this now and will meet soon.
