

Olivehurst Public Utility District

Agenda Item Report

Meeting Date: April 16, 2020

Item description/summary:

Consider plans and approve expenses for 2020 Weed Abatement Program: Department would like to start the Weed Abatement program at the end of April 2020. The abatement process will finished in June with a final non-compliant list in July.

Fiscal Analysis:

Prior year's budget was \$500. This years Weed Abatement budget projected cost is \$3,000. We are trying to capture the true cost of the program.

Employee Feedback

Sample Motion:

Move to allow fire department to start the Weed Abatement program at the end of April.
