### RFP Design for Water Infrastructure in Historic Olivehurst RFI 1

All,

So far I have received two questions pertaining to the RFP. They are below.

- A time was not specified on Thursday, December 10<sup>th</sup> for the proposal deadline. When is the latest that you will accept the hand-delivered, unbound original copy of our proposal? And will someone be present at the District office to receive it?
- **Submissions are due by Noon on Thursday December 10<sup>th</sup>. Our office is open at 7:30 AM every morning, and someone will be available to receive proposals.**
- With Covid restrictions tightening in the state, will you accept the original unbound copy if it is postmarked on the due date instead?
- **This is acceptable if and only if OPUD receives the full proposal by email before the submission deadline. We would like to award the contract at the December Board meeting and must have proposals by Thursday December 10<sup>th</sup> at Noon to make this possible.**

Thanks,

*Chris Oliver*
