Greetings,

The Yuba County Sheriff's Office is working again this year with the National Child Safety Council on our resources drive for educational materials. These materials are used in our child safety and drug education programs as well as our overall crime prevention program. The programs are designed specifically for our community and deliver important information into the homes and classrooms of Yuba County.

The materials we receive are instrumental to programs relating to child safety, drug prevention education, internet safety, peer pressure and other important community concerns. By your generous contribution to this program, you will be enabling us to continue to provide the most current data, illustrations and teaching resources available to our community and we would be grateful for your involvement.

I realize as a business person you may be frequently asked for donations, however, your assistance in helping us acquire these materials is one of the most worthwhile ways you can help our community.

Please accept my sincere thanks and appreciation for your time in letting us make you aware of this excellent program. I have enclosed a donation form for your convenience should you wish to support this worthwhile project.

Sincerely,

A handwritten signature in black ink, appearing to read "Wendell Anderson".

Wendell Anderson
Sheriff-Coroner
