Item description/summary: South Yuba County Sunrise Rotary Plaque Request

South Yuba County Sunrise Rotary achieved their goal of raising funds for the new Plumas Lake Christmas Tree to replace the tree that was vandalized and cut down. The new tree will be planted later this month.

South Yuba County Sunrise Rotary would like to have a plaque installed with the tree. Their options would be to have one encased in concrete at the base of the tree in the ground or to have a raised plaque installed. They would prefer to put one in concrete at the base of the tree to avoid replacement due to vandalism.

Fiscal Analysis:

Parks Committee recommends the plaque in concrete installation option.

No cost to OPUD.

Sample Motion/Staff Recommendation:

Consider approving the request by South Yuba County Sunrise Rotary to place a plaque encased in concrete at the base of the new Plumas Lake Christmas Tree.
