

OLIVEHURST PUBLIC UTILITY DISTRICT

RESOLUTION NO. 2037

**A RESOLUTION OF THE BOARD OF DIRECTORS OF THE
OLIVEHURST PUBLIC UTILITY DISTRICT
ESTABLISHING THE OLIVEHURST PUBLIC UTILITY DISTRICT
PLUMAS LAKE COMMUNITY FACILITIES DISTRICT NO. 2002-1
AND CALLING AN ELECTION FOR THE PURPOSE OF SUBMITTING THE LEVY
OF THE SPECIAL TAX AND THE ESTABLISHMENT OF AN APPROPRIATIONS
LIMIT TO THE QUALIFIED ELECTORS OF THE DISTRICT**

WHEREAS, the Board of Directors (the "Board") of the Olivehurst Public Utility District (the "District"), on August 15, 2002, adopted its Resolution No. 2031 (the "Resolution of Intention") (i) declaring its intention to establish Olivehurst Public Utility District Plumas Lake Community Facilities District No. 2002-1 (the "Plumas Lake CFD No. 2002-1") pursuant to the Mello-Roos Community Facilities Act of 1982 (Chapter 2.5, Part 1, Division 2, Title 5 (commencing with Section 53311) of the California Government Code) (the "Act"), (ii) proposing to levy a special tax therein for the purpose of providing for the financing of the construction and acquisition of certain public facilities (the "Facilities") described in Exhibit A hereto, and (iii) calling a public hearing on the establishment of the Plumas Lake CFD No. 2002-1;

WHEREAS, at the conclusion of the public hearing, on September 19, 2002, the Board adopted its Resolution No. 2033 (i) finding that the public hearing was duly held in accordance with the Act, (ii) declaring that no written protests were filed against the establishment of the Plumas Lake CFD No. 2002-1, the furnishing of specified type or types of facilities within the Plumas Lake CFD No. 2002-1 as listed in the Hearing Report filed with the Board before the hearing, or the levying of the special tax, and (iii) determining to proceed with establishing the Plumas Lake CFD No. 2002-1;

WHEREAS, on the basis of all of the foregoing, the Board has determined at this time to establish the Plumas Lake CFD No. 2002-1 and to submit to the qualified electors of the Plumas Lake CFD No. 2002-1 the levy of the special tax therein (as such tax is more particularly described in Exhibit B hereto) and the establishment of an appropriations limit for the Plumas Lake CFD No. 2002-1;

WHEREAS, the Board has received a written instrument from each landowner in the Plumas Lake CFD No. 2002-1 consenting to the shortening of election time requirements, waiving analysis and arguments, and waiving all notice requirements relating to the conduct of the election;

WHEREAS, the Deputy Clerk has concurred in the election date set forth herein;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Olivehurst Public Utility District, that:

1. **Recitals.** The foregoing recitals are true and correct.
2. **No Majority Protest.** The proposed special tax to be levied in the Plumas Lake CFD No. 2002-1 has not been precluded by majority protest pursuant to Section 53324 of the Act.
3. **Establishment of Plumas Lake CFD No. 2002-1.** As proposed in the Resolution of Intention, a community facilities district is hereby established pursuant to the Act, designated "Olivehurst Public Utility District Plumas Lake Community Facilities District No. 2002-1."
4. **Finding of Procedural Regularity.** The Board finds and determines that all prior proceedings had and taken by the Board with respect to the formation of the Plumas Lake CFD No. 2002-1 are valid and in conformity with requirements of the Act.
5. **Boundaries of Plumas Lake CFD No. 2002-1.** The boundaries of the Plumas Lake CFD No. 2002-1 shall be as set forth in the map of the proposed boundaries of the Plumas Lake CFD No. 2002-1 that was filed with the Yuba County Recorder on September 4, 2002, in Book 1 of Maps of Assessment and Community Facilities Districts, at Page 41.
6. **Description of Facilities.** The Facilities to be financed by the Plumas Lake CFD No. 2002-1 are set forth in Exhibit A hereto, which include completed facilities. The Facilities have a useful life of five years or longer. The cost of financing the acquisition and construction of the Facilities includes "incidental expenses," which include the cost of planning and designing the Facilities and environmental evaluations thereof; costs associated with the creation of the Plumas Lake CFD No. 2002-1, issuance of bonds, determination of the amount of special taxes, collection or payment of special taxes, or costs otherwise incurred in order to carry out the authorized purposes of the Plumas Lake CFD No. 2002-1; and any other expenses incidental to the construction, completion, and inspection of the Facilities.
7. **Repayment of Advances.** The District and the owners of property within the Plumas Lake CFD No. 2002-1 have entered into an "Agreement for Advance Funding" pursuant to which the property owners have deposited funds with the District for the payment of certain costs related to the establishment of the Plumas Lake CFD No. 2002-1. To the extent proceeds of any bonds issued are sufficient therefor (as determined by the District), the District proposes to repay a portion of the funds advanced.
8. **Special Tax.** As stated in the Resolution of Intention, except where funds are otherwise available, subject to the approval of the qualified electors of the Plumas Lake CFD No. 2002-1, a special tax sufficient to pay the costs of the Facilities (including incidental expenses and debt service on bonds issued to finance the Facilities), secured by recordation of a continuing lien against all nonexempt real property in the Plumas Lake CFD No. 2002-1, will be levied annually in the Plumas Lake CFD No. 2002-1. The rate, method of apportionment, and manner of collection of the special tax are specified in Exhibit B. Exhibit B specifies the conditions under which the special tax may be repaid and permanently satisfied. Exhibit B also specifies the date after which no further special tax shall be levied against any parcel of land

used for private residential purposes. Under no circumstances will the special tax levied against any parcel of land used for private residential purposes be increased by more than ten per cent as a consequence of delinquency or default by the owner of any other parcel or parcels of land within the Plumas Lake CFD No. 2002-1.

9. **Apportionment of Tax.** The special tax as apportioned to each parcel is based on the cost of making the Facilities available to each parcel, or other reasonable basis, and is not based on or upon the ownership of real property.

10. **Tax Roll Preparation.** The office of the General Manager, 1970 9th Avenue, Olivehurst, California 95961, telephone 530-743-0317, is hereby designated as the office that will be responsible for annually preparing a current roll of special tax levy obligations by assessor's parcel number and that will be responsible for estimating future special tax levies pursuant to Government Code section 53340.2. The General Manager may cause these functions to be performed by his deputies, assistants, or other designated agents

11. **Appropriations Limit.** The Board proposes that the appropriations limit, as defined by Article XIII B, Section 8(h), of the Constitution of the State of California, for the Plumas Lake CFD No. 2002-1 be established in the amount of special taxes collected.

12. **Accountability Measures.** Pursuant to Sections 50075.1 and 53411 of the California Government Code, the District shall create separate accounts into which tax and bond proceeds will be deposited; and the General Manager annually shall file a report with the Board that will state (a) the amount of funds collected and expended and (b) the status of the Facilities financed in the Plumas Lake CFD No. 2002-1.

13. **Special Election; Voting Procedures.** The Board hereby submits the questions of levying the special tax and the establishment of the annual appropriations limit for the Plumas Lake CFD No. 2002-1 to the qualified electors within the Plumas Lake CFD No. 2002-1, in accordance with and subject to the Act. The special election shall be held on November 21, 2002, and shall be conducted as follows:

(a) **Qualified Electors.** The Board hereby determines that the Facilities are necessary to meet increased demands placed upon the District and other local agencies as a result of development occurring within the boundaries of the Plumas Lake CFD No. 2002-1. Because fewer than twelve registered voters resided within the Plumas Lake CFD No. 2002-1 on September 4, 2002 (a date within the 90 days preceding the close of the public hearing on the establishment of the Plumas Lake CFD No. 2002-1), the qualified electors shall be the landowners within the Plumas Lake CFD No. 2002-1, and each landowner who was the owner of record at the close of the hearing shall have one vote for each acre or portion of an acre of land that such landowner owns within the Plumas Lake CFD No. 2002-1.

(b) **Consolidation of Elections; Combination of Propositions on Ballot.** As authorized by Government Code section 53351(h), the elections on the questions of levying the special tax, establishing an appropriations limit, and incurring a bonded indebtedness for the Plumas Lake CFD No. 2002-1 shall be consolidated; and, as authorized by Government Code Section 53353.5, the three propositions shall be combined into a single ballot proposition for

submission to the voters. The combined ballot proposition shall read as shown in the form of the ballot attached hereto as Exhibit C.

(c) **Mail Ballot Election.** Pursuant to Government Code section 53327.5, the election shall be conducted as a mail ballot election. The Board hereby ratifies the Deputy Clerk's delivery to each landowner in the Plumas Lake CFD No. 2002-1 of a ballot in the form set forth in Exhibit C.

(d) **Return of Ballots.** The Deputy Clerk shall accept the ballots of the landowners up to ten minutes following the adoption of the resolution of the Board determining the necessity to incur a bonded indebtedness for the Plumas Lake CFD 2002-1. The Deputy Clerk shall have available ballots that may be marked at the Deputy Clerk's office on the election day by voters. Once all qualified electors have voted, the Deputy Clerk may close the election.

(e) **Canvass of Election.** The Deputy Clerk shall commence the canvass of the returns of the special election as soon as the election is closed at the Deputy Clerk's office and at the regular meeting place of the Board. At the conclusion of the canvass, the Deputy Clerk shall declare the results of the election.

(f) **Declaration of Results.** The Board shall declare the results of the special election following the completion of the canvass of the returns and shall cause to be inserted into its minutes a statement of the results of the special election as ascertained by the canvass of the returns.

14. **Filing of Resolution and Map with Deputy Clerk.** The Board hereby directs the Deputy Clerk of the Board to file a copy of this resolution and the map of the boundaries of the Plumas Lake CFD No. 2002-1 in her office.

15. **Lien to Secure Special Tax.** Upon a determination by the Board that two-thirds of the votes cast upon the question of levying the special tax were in favor thereof, the Deputy Clerk shall record the notice of special tax lien provided for in Section 3114.5 of the California Streets and Highways Code. Upon recordation of the notice of special tax lien, a continuing lien to secure each levy of the special tax shall attach to all nonexempt real property in the Plumas Lake CFD No. 2002-1, and this lien shall continue in force and effect until the special tax obligation is prepaid and permanently satisfied and the lien cancelled in accordance with law or until collection of the tax by the Board ceases.

PASSED AND ADOPTED this 21st day of November 2002.

OLIVEHURST PUBLIC UTILITY DISTRICT

President, Board of Directors

ATTEST:

Deputy Clerk & ex-officio Secretary

APPROVED AS TO FORM AND LEGAL
SUFFICIENCY

Jonathan P. Cristy, Bond Counsel

* * * * *

I hereby certify that the foregoing is a full, true, and correct copy of a Resolution duly adopted and passed by the Board of Directors of the Olivehurst Public Utility District, Yuba County, California, at a meeting thereof held on the 21st day of November 2002, by the following vote:

AYES, AND IN FAVOR THEREOF:	DIRECTOR'S CARPENTER, DONAHUE, SOUZA, PATTY, AND MILLER.
NOES	: NONE
ABSTAIN	: NONE
ABSENT	: NONE

Deputy Clerk and ex-officio Secretary

EXHIBIT A

Public Capital Facilities

A. PUBLIC IMPROVEMENTS

The following improvements represent the primary facilities that are authorized to be constructed with proceeds of bonds issued or special taxes collected with respect to the Plumas Lake CFD No. 2002-1. These facilities are representative of the authorized local infrastructure required for development in the Plumas Lake Specific Plan area.

(1) Sewer System Improvements

Authorized facilities include any and all sewer system improvements designed to serve the development needs of the Plumas Lake Specific Plan area. These facilities may include major collection system sewer lines (gravity lines and force mains), lift stations, water wells (for the flushing of sewer lines), maintenance roads, and all other appurtenances related to sewer system improvements.

(2) Water System Improvements

Authorized facilities include any and all water transmission main improvements designed to serve the development needs of the Plumas Lake Specific Plan area. These facilities may include water wells, pumping systems, water treatment facilities, storage tanks, transmission mains, and any other appurtenances related to water system improvements.

(3) Park Improvements

Authorized facilities include any and all park improvements designed to serve the needs of the Plumas Lake Specific Plan area. These facilities may include neighborhood and community parks, including the development of parks, parkways, bike trails, paths, open space, community centers, sports facilities, and any other appurtenances related to park improvements.

B. OTHER EXPENSE

The above listed types of facilities are proposed to include incidental expenses as authorized by the Mello-Roos Community Facilities Act of 1982, including, but not limited to, the cost of planning, engineering, and designing the facilities (including the cost of environmental evaluation thereof); cost associated with the creation of the Plumas Lake CFD No. 2002-1; issuance of bonds thereof; determination of the amount of taxes; collection of taxes; payment of taxes; or costs otherwise incurred in order to carry out the authorized purposes of the Plumas Lake CFD No. 2002-1; and any other expenses incidental to the construction, completion, and inspection of the facilities, including the cost of planning and designing the facilities (including the cost of environmental evaluation and environmental remediation or mitigation).

EXHIBIT B

**Olivehurst Public Utility District
Plumas Lake
Community Facilities District No. 2002-1
Yuba County, California**

RATE, METHOD OF APPORTIONMENT, and MANNER OF COLLECTION
OF THE SPECIAL TAX

1. Basis of Special Tax Levy

A Special Tax authorized under the Mello-Roos Community Facilities Act of 1982 (the "Act") applicable to the land in the Olivehurst Public Utility District (the "District") Plumas Lake Community Facilities District No. 2002-1 (the "CFD") of Yuba County (the "County") shall be levied and collected according to the tax liability determined by the District through the application of the appropriate amount or rate, as described below.

2. Definitions

"Acreage" means the totals acres of a Parcel as shown in the records of the County Assessor, Tentative Maps, or other records of the County or District.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, Sections 53311 and following of the California Government Code.

"Administrative Expenses" means the following actual or reasonably estimated costs directly related to the administration of the CFD: the costs of computing Special Taxes and preparing the annual Special Tax collection schedules (whether by the District or designee thereof or both); the costs of collecting the Special Taxes (whether by the County, the District, or otherwise); the costs of remitting the Special Taxes to the Trustee; the costs of the Trustee (including its legal counsel) in the discharge of the duties required of it under the Indenture; the costs to the District, CFD or any designee thereof of complying with arbitrage rebate requirements; the costs to the District, CFD or any designee thereof of complying with District, CFD or obliged persons disclosure requirements associated with preparing Special Tax disclosure statements and responding to public inquiries regarding the Special Taxes; the costs to the District, CFD or designee thereof related to the appeal of the Special Tax; and the costs associated with the release of funds from an escrow account, if any. Administrative Expenses shall also include amounts estimated or advanced by the District or CFD for any other administrative purposes, including attorney's fees and other costs related to commencing and pursuing to completion any foreclosure of delinquent Special Taxes.

"**Administrator**" means the General Manager of the District, or his or her designee.

"**Annual Costs**" means, for any Fiscal Year, the total of the following:

- i) Debt Service to be paid from Special Taxes collected during the Bond Year;
- ii) Administrative Expenses for such Fiscal Year;
- iii) The amount needed to replenish any Reserve Fund requirement for CFD Bonds to the level required under the documents pursuant to which such Bonds were issued;
- iv) An amount equal to the amount of delinquencies in payments of Special Taxes levied in the previous Fiscal Year and/or anticipated for the current Fiscal Year less any credit from earnings on the Bond Reserve Fund, less credit for applicable development fees, less any reimbursements, and/or less any funds available from prepaid Special Taxes as prescribed in **Section 7**; and,
- v) Pay-as-you-go expenditures for authorized facilities to be constructed or acquired by the CFD.

"**Anticipated Construction Proceeds**" means \$16,300,000 as adjusted annually after the Base Year in accordance with the Engineering News Record Building Cost Index.

"**Assessor's Parcel Number**" means the Parcel and Parcel number as recorded by the County Assessor on the equalized tax roll.

"**Authorized Facilities**" means those facilities authorized to be funded by the CFD, as identified in the resolution forming the CFD.

"**Base Year**" means the Fiscal Year beginning on July 1, 2002 and ending on June 30, 2003.

"**Benefit Share**" means the Maximum Annual Special Tax for a Parcel divided by the Maximum CFD Revenue.

"**Board**" means the Board of Directors of the Olivehurst Public Utility District acting for the CFD under the Act.

"**Bond(s)**" means any bonds issued by the District under the Act that are payable from the Special Taxes.

"**Bond Authorization**" means the maximum amount of Bonds that the CFD is authorized to issue pursuant to the Bond Indenture. (This amount is \$27,000,000, subject to adjustments in accordance with the prepayment provisions in **Section 7**.)

"**Bond Indenture**" means the indenture or other financing document pursuant to which the Bonds are issued.

"**Bond Share**" means the share of Bonds assigned to a Parcel as specified in **Section 7**, Part A, Step 3 of this Rate and Method of Apportionment.

"**Bond Year**" means the twelve (12) month period ending on the second Bond payment date of each calendar year as defined in the Bond Indenture.

"**CFD**" means the Plumas Lake Community Facilities District No. 2002-1 of the District.

"**County**" means the County of Yuba, California.

"**Debt Service**" means for each Bond Year, the total amount of principal and interest for any Bonds, notes or certificates of participation of the CFD during that Bond Year, less any applicable credits that may be available from any other sources available to the District to pay principal and interest for the previous or current Bond Year.

"**Developed Parcel**" means a Parcel receiving one of the following development approvals from the County:

<u>Land Use</u>	<u>Development Approval</u>
Single Family Residential	- Final Subdivision Map
Other Taxable Uses	- Building Permit

"**Final Subdivision Map**" means a recorded map designating individual Single Family Residential Parcels or condominium units.

"**Fiscal Year**" means the period starting July 1 and ending the following June 30.

"**Large Lot Parcel**" means any Parcel delineated on a Large Lot Subdivision Map.

"**Large Lot Subdivision Map**" means a recorded subdivision map delineating Parcels by land use. However, the Large Lot Subdivision Map does not delineate individual Single Family Residential Parcels. A Final Subdivision Map will delineate individual Single Family Residential Parcels.

"**Maximum CFD Revenue**" means the greatest amount of revenue that can be collected in a Fiscal Year by levying the Special Tax against all Taxable Parcels in the CFD.

"**Maximum Annual Special Tax**" means the greatest amount of Special Tax that can be levied against a Taxable Parcel in any Fiscal Year as shown in **Attachment 1**.

"**Maximum Annual Special Tax Revenue**" means the greatest amount of revenue that can be collected by levying the Maximum Annual Special Tax against a group of Parcels within a specific classification, such as Developed Parcels.

“Original Parcel” means a Parcel as identified by Assessor’s Parcel Number on **Attachment 1**. Original Parcels are assigned Units in **Attachment 1** based on Tentative Maps approved by the County at the time of the formation of the CFD, or upon Tentative Maps that have been proposed for approval by the County. Approved Tentative Maps used to derive Unit assignments are:

<u>Approved Tentative Map</u>	<u>Date of Approval</u>
Rio Del Oro	September 19, 2000
Riverside Meadows	May 16, 2000
Woodside	February 15, 2000
Creekside	February 15, 2000

“Other Taxable Uses” means a Taxable Parcel that is not designated for single family residential use, such as commercial, business park, office, retail, light industrial, industrial, multi-family residential, or mixed use.

“Outstanding Bonds” means the total principal amount of Bonds that have been issued and not retired or defeased.

“Parcel” means any Assessor's Parcel Number in the CFD based on the equalized tax rolls of the County as of January 1 of each Fiscal Year.

“Plumas Lake” means the development area in the unincorporated area of the County included in the Plumas Lake Specific Plan Area.

“Prepayment” means the permanent satisfaction of the Maximum Annual Special Tax for a Parcel.

“Public Parcel” means any parcel that is, or is intended to be, publicly owned that is normally exempt from the levy of general *ad valorem* property taxes under California law, including public streets, schools, parks, public water tank parcels, public sewer lift station parcels, public drainageways, public landscaping, greenbelts, and public open space. These parcels are exempt from the levy of Special Taxes. Parcels that may get partial or full exemptions from payment of *ad valorem* property taxes, such as churches, are not considered a Public Parcel.

“Remainder Parcel” means a Parcel that is created when a Tentative Map is recorded as a final map, creating Developed Parcels, Large Lot Parcels, or a combination of Developed Parcels and Large Lot Parcels, with a remaining piece of land that does not have development entitlements under the Subdivision Map Act. A Remainder Parcel is classified as an Undeveloped Parcel.

“Reserve Fund Requirement” means the amount required to be held in the bond reserve fund created under the Bond Indenture.

“Reserve Fund Share” means the amount on deposit in the reserve fund, but in any event not to exceed the required bond reserve as defined in the Bond Indenture, multiplied by the Benefit Share for a given Parcel.

“Single Family Residential Parcel” means a Taxable Parcel created by the recordation of a Final Subdivision Map.

“Special Tax(es)” mean(s) any tax levy under the Act in the CFD. The Special Tax shall be levied as long as necessary to pay for the facilities to be financed by the CFD and to discharge authorized bond obligations of the CFD.

“Subdivision” means a division of a Parcel into two or more Successor Parcels through the Subdivision Map Act process.

“Successor Parcel” means a Parcel created by Subdivision, lot line adjustment, or parcel map from an Original or Successor Parcel. A Successor Parcel is classified as an Undeveloped Parcel, Tentative Map Parcel, Large Lot Parcel or Developed Parcel using the definitions in **Section 2**.

“Tax Collection Schedule” means the document prepared by the District for the County Auditor to use in levying and collecting the Special Taxes each Fiscal Year.

“Taxable Parcel” means any Parcel that is not a Tax-Exempt Parcel.

“Tax-Exempt Parcel” means a Parcel not subject to the Special Tax. Tax-Exempt Parcels include: (i) Public Parcels, (ii) any Parcel that has prepaid its Special Taxes under **Section 7** hereof, or (iii) any Parcel that is exempt from the Special Tax under the Act. Certain privately owned Parcels may also be exempt from the levy of Special Taxes including common areas owned by homeowner’s associations or property owner associations, wetlands, detention basins, water quality ponds, and open space.

“Tentative Map” means a tentative subdivision map as defined by the Subdivision Map Act.

“Tentative Map Parcel” means a Parcel with an approved Tentative Map and no higher level of development entitlement as defined in this Tax Formula.

“Total Facility Cost Share” means the Benefit Share for a Parcel multiplied by the Anticipated Construction Proceeds for the CFD.

“Undeveloped Parcels” means a Taxable Parcel that is not a Developed Parcel, Large Lot Parcel, or Tentative Map Parcel. A Remainder Parcel is classified as an Undeveloped Parcel.

“Unit(s)” means the number of taxable residential unit(s) assigned to a Parcel by the Administrator. Units are assigned based on the development potential of the Parcel. Typically, a Tentative Map will be used to determine the amount of Units to be assigned to a Parcel.

3. Determination of Parcels Subject to Special Tax

The District shall prepare a list of Parcels subject to the Special Tax using the records of the County Assessor as of January 1, and other County development approval records. The District

shall identify the Taxable Parcels from a list of all Parcels within the CFD using the procedure described below.

- 1) Exclude all Tax-Exempt Parcels.

However, Taxable Parcels that are acquired by a public agency after the CFD is formed or subsequent Final Subdivision Maps are recorded will remain subject to the applicable Special Tax unless the Special Tax obligation is satisfied pursuant to Section 53317.5 of the Government Code by the procedure described in **Section 7**. An exception to this may be made if Public Parcels, such as a school site, are relocated and the previously Tax-Exempt Parcels of comparable acreage become Taxable Parcels. This trading of the Special Tax assigned to a Parcel or group of Parcels will be permitted to the extent that there is no net loss in Maximum CFD Revenue.

- 2) The remaining Parcels shall be subject to the Special Tax according to the method detailed in **Section 5**.

4. Termination of the Special Tax

The Special Tax will be levied and collected from all Taxable Parcels for as long as needed to pay the Annual Costs; however, in no event shall the Special Tax be levied beyond Fiscal Year 2041-2042.

When all Annual Costs incurred by the CFD have been paid, the Special Tax shall cease to be levied. The Board shall direct the County Recorder to record a Notice of Cessation of Special Tax. Such notice will state that the obligation to pay the Special Tax has ceased and that the lien imposed by the Notice of Special Tax Lien is extinguished. The Notice of Cessation of Special Tax shall additionally identify the previously Taxable Parcels by the book and page of the Book of Maps of Assessment and Community Facilities Districts where the map of the boundaries of the CFD is recorded.

5. Assignment of Maximum Annual Special Tax

A. **Classification of Parcels.** Each Fiscal Year, using the Definitions above, the parcel records of the County Assessor's Secured Tax Roll as of January 1, and other County development approval records, the District shall cause:

1. Each Parcel to be classified as a Tax-Exempt Parcel or a Taxable Parcel;
2. Each Taxable Parcel to be classified as an Original Parcel or a Successor Parcel.

3. Each Original Parcel or Successor Parcel to be classified as a Developed Parcel, Large Lot Parcel, Tentative Map Parcel, or Undeveloped Parcel.

B. **Assignment of Maximum Annual Special Tax to Original Parcels.** The Maximum Annual Special Tax for each Original Parcel is shown on **Attachment 1**. The Units assigned to Original Parcels in **Attachment 1** are based on the number of single family residential lots shown on Tentative Maps. Original Parcels may be classified as Tentative Map Parcels or Undeveloped Parcels. As Original Parcels are subdivided, the Units will be assigned to Large Lot Parcels based on the number of planned Units for each Large Lot Parcel that is designated for single family residential land uses. Large Lot Parcels that are designated for Other Taxable Uses will be assigned a Maximum Annual Special Tax based on the Acreage of the Parcel.

1. **Original Parcels that are Tentative Map Parcels.** The Maximum Annual Special Tax for Original Parcels that are Tentative Map Parcels is shown in **Attachment 1**.
2. **Original Parcels that are Undeveloped Parcels.** The Maximum Annual Special Tax for Original Parcels that are Undeveloped Parcels is shown in **Attachment 1**.

C. **Assignment of Maximum Annual Special Tax to Successor Parcels.** The District shall assign the Maximum Annual Special Tax to each Taxable Parcel as follows:

1. **Undeveloped Parcels.** The Maximum Annual Special Tax for a Successor Parcel classified as an Undeveloped Parcel is calculated by multiplying the Acreage of the Parcel by the Maximum Annual Special Tax for Undeveloped Parcels shown in **Attachment 2**.
2. **Tentative Map Parcels.** The Maximum Annual Special Tax for a Successor Parcel classified as a Tentative Map Parcel is calculated using the following steps.
 - a. **Single Family Residential Uses.** A Tentative Map Parcel that is designated solely for single family residential use and other Public Uses is assigned a Maximum Annual Special Tax by multiplying the number of Units created by the Tentative Map by the Maximum Annual Special Tax for single family residential uses shown in **Attachment 2**.
 - b. **Other Taxable Uses.** A Tentative Map Parcel that is designated solely for Other Taxable Uses and other Public Uses is assigned a Maximum Annual Special Tax by multiplying the Acreage of the Parcel by the Maximum Annual Special Tax per acre for Other Taxable Uses shown in **Attachment 2**.
 - c. **Mixed Uses.** A Tentative Map Parcel that is designated for single family residential uses and Other Taxable Uses is assigned the Maximum Annual Special Tax by calculating the Maximum Annual Special Tax for single family residential uses using

Section 5.C.2.a, then adding the result to the Maximum Annual Special Tax calculated for Other Taxable Uses for the Tentative Map Parcels using **Section 5.C.2.b**.

3. **Large Lot Parcels – Single Family Residential Uses.** The Maximum Annual Special Tax assigned to a Successor Parcel that is a Large Lot Parcel which has a land use designation for single family residential uses is based on the number of Units assigned to the Large Lot Parcel when an Original Parcel is subdivided. The Maximum Annual Special Tax per Unit (as shown in **Attachment 2**) is multiplied by the number of Units assigned to the Large Lot Parcel to derive the Maximum Annual Special Tax for the Large Lot Parcel.

Units are assigned to Successor Parcels that are designated as Large Lot Parcels in the following manner.

- a. Determine the total number of Units assigned to the Original Parcel(s) and/or Successor Parcel(s) that is to be subdivided to create a Large Lot Parcel(s).
- b. Based on the records of the County, determine the number of developed Units that may be created on each Large Lot Parcel created. Records of the County may include approved Tentative Maps.
- c. Assign the Units to each Large Lot Parcel.
- d. If there is an overall reduction in assigned Units from the previous Original Parcel or Successor Parcel, the Administrator shall: (i) calculate the loss in Maximum CFD Revenue by multiplying the number of reduced Units by the Maximum Annual Special Tax per Unit from **Attachment 2**; and (ii) require the Prepayment of this difference pursuant to **Section 7**. Prepayment shall be made prior to, or concurrent with, recordation of the subdivision map creating the new Successor Parcel(s).

Such Prepayment may be avoided to the extent that the Administrator determines that the Maximum CFD Revenue, allowing for the loss of such Units, is expected to be sufficient to meet Annual Costs without the levy of a Special Tax on such Units.

4. **Large Lot Parcels – Other Taxable Uses.** The Maximum Annual Special Tax assigned to a Successor Parcel that is a Large Lot Parcel with a land use designation defined under “Other Taxable Uses” is based on the total Acreage multiplied by the Maximum Annual Special Tax per acre assigned to Large Lot Parcels – Other Taxable Uses in **Attachment 2**.
5. **Developed Parcels.** Developed Parcels shall be assigned the Maximum Annual Special Tax using the following steps.
 - a. **Single Family Residential.** The Maximum Annual Special Tax is equal to the amount per Unit shown in **Attachment 2**. A Single Family Residential Parcel is created at the recording of a Final Subdivision Map. If the number of Units created by the recording of the Final Subdivision

Map is less than the number of Units assigned to the Large Lot Parcel for which the Final Subdivision Map was recorded, use the steps described in **Section 5.C.1.d** above to determine if a Prepayment of the Special Tax obligation is required.

- b. **Other Taxable Uses.** Calculate the Maximum Annual Special Tax for the Other Uses by multiplying the Acreage of the Parcel by the Maximum Annual Special Tax per acre for Other Taxable Uses shown in **Attachment 2**.
- 6. **Annexation Parcels.** Parcels annexing to the CFD after formation shall be assigned a Maximum Annual Special Tax using definitions in **Section 2** and steps in **Section 5.B.** or **Section 5.C** above.
- E. **Conversion of a Tax-Exempt Parcel to a Taxable Parcel.** If a Parcel designated in the CFD as a Tax-Exempt Parcel is not needed for public use and is converted to a private use, it shall become subject to the Special Tax. The Maximum Annual Special Tax for each such Parcel shall be assigned according to the definitions in **Section 2** and steps in **Section 5.B** or **Section 5.C** above.

6. Setting the Annual Special Tax for Taxable Parcels

The District shall calculate the Special Tax levy for each Taxable Parcel for each fiscal year as follows:

- A. Calculate the Special Tax for each Taxable Parcel by using the following steps:
 - Step 1: Compute 100 percent of the Maximum Annual Special Tax Revenue for all Developed Parcels by summing the Maximum Annual Special Tax for each Taxable Parcel.
 - Step 2: Compute the Annual Costs using the definition of Annual Costs in **Section 2**.
 - Step 3: Compare the Annual Costs with the Maximum Annual Special Tax Revenue from Developed Parcels calculated in Step 1.
 - Step 4: If the Annual Costs are less than the Maximum Annual Special Tax Revenue, decrease the Special Tax proportionally for all Developed Parcels until the Maximum Annual Special Tax Revenue is just equal to Annual Costs.
 - Step 5: If the Annual Costs are greater than the Maximum Annual Special Tax Revenue from Developed Parcels, levy a proportional amount of Special Tax on each Large Lot Parcel to just equal the amount of Annual Costs or until 100 percent of the Maximum Annual Special Tax is reached for such Large Lot Parcels.

Step 6: If the Annual Costs are greater than the Maximum Annual Special Tax Revenue from Developed Parcels and Large Lot Parcels, levy a proportional amount of Special Tax on each Tentative Map Parcel to just equal the amount of Annual Costs or until 100 percent of the Maximum Annual Special Tax is reached for such Tentative Map Parcels.

Step 7: If the Annual Costs are greater than the Maximum Annual Special Tax Revenue from Developed Parcels, Large Lot Parcels, and Tentative Map Parcels, levy a proportional amount of Special Tax on each Undeveloped Parcel to just equal the amount of Annual Costs or until 100 percent of the Maximum Annual Special Tax is reached for such Undeveloped Parcels.

- B. Levy on each Taxable Parcel the amount calculated above.
- C. Prepare the Tax Collection Schedule listing the tax levy for each Taxable Parcel and send it to the County Auditor requesting that it be placed on the general, secured property tax roll for the Fiscal Year. The Tax Collection Schedule shall not be sent later than the date required by the Auditor for such inclusion.

The District shall make every effort to correctly calculate the Special Tax for each Parcel. It shall be the burden of the taxpayer to advise the District of any alleged errors in the determination of the Parcels subject to the tax and the assignment of the Special Tax to the Parcels.

As development and subdivision of Plumas Lake takes place, the District will maintain a file of each current Assessor's Parcel Number within the CFD, its Maximum Annual Special Tax, and the number of Units assigned to all Original Parcels and Successor Parcels, and the Maximum CFD Revenues for all Parcels within the CFD available for public inspection. This record shall show the Maximum Annual Special Tax on all Original, Undeveloped, Tentative Map, Large Lot, and Developed Parcels and a brief description of the process of assigning the Special Tax each time a new Parcel was created, including any adjustments due to change in use.

7. Prepayment of Special Tax Obligation

Landowners may permanently satisfy the Special Tax obligation by a cash settlement with the District as permitted under Government Code Section 53344. Prepayment is permitted only under the following conditions:

- The District determines that the prepayment of the Special Tax obligation does not jeopardize its ability to make timely payments of Debt Service on Outstanding Bonds.
- Any landowner prepaying the Special Tax obligation must pay any and all delinquent special taxes and penalties prior to prepayment.

- Prepayment shall be made on or before June 1 in order to prevent the levy of Special Taxes due during the Fiscal Year beginning July 1.
- If Special Taxes have already been levied, but not collected, at the time the Prepayment is calculated, the owner of the Parcel(s) must pay the Special Taxes included on the property tax bill in addition to the Prepayment amount.

The Prepayment amount shall be established by following the steps in Part A and Part B below:

Part A. Outstanding Bond Share

- Step 1: Determine the Maximum Annual Special Tax for the Parcel based on the assignment of the Maximum Annual Special Tax described in **Section 5** above. If the prepaying Parcel is not a Developed Parcel, the determination of the Maximum Annual Special Tax for the prepaying Parcel shall assume that the Parcel is a Developed Parcel with the development approvals set out in the Tentative Map for the Parcel.
- Step 2: Divide the Maximum Annual Special Tax from Step 1 by the Maximum CFD Revenue to arrive at the Benefit Share.
- Step 3: Determine the Bond Share for the Parcel by multiplying the Benefit Share from Step 2 by the total amount of Outstanding Bonds issued by the CFD.
- Step 4: Determine the Reserve Fund Share associated with the Bond Share determined in Step 3 and reduce the Bond Share by the amount of the Reserve Fund Share. The Reserve Fund Share is equal to the Bond Reserve Fund Requirement on all Outstanding Bonds multiplied by the Benefit Share.
- Step 5: Determine the Outstanding Bond share by adding to the amount calculated in Step 4 any fees, call premiums, amounts necessary to cover negative arbitrage from the date of the Prepayment to first call date on the Bonds, and expenses incurred by the District in connection with the Prepayment calculation or the application of the proceeds of the Prepayment.

Part B. Remaining Facility Cost Share

- Step 1: Determine the Total Facility Cost Share for the Parcel by multiplying the Benefit Share by the Anticipated Construction Proceeds (inflated to current dollars in the year of Prepayment using the Engineering News Record Building Cost Index).
- Step 2: Determine the share of facilities funded by Bonds already issued by the CFD for the Parcel by multiplying the Benefit Share by the construction proceeds made available from all such Bonds issued by the CFD. These amounts shall be adjusted to the year of Prepayment by using the Engineering News Record Building Cost Index.

- Step 3: Determine the share of facilities funded with pay-as-you-go Special Tax revenues by multiplying the Benefit Share by the total amount of pay-as-you-go funding used to acquire authorized facilities.
- Step 4: Determine the remaining facility cost share for the Parcel by subtracting the results from Steps 2 and 3 from the Total Facility Cost Share determined in Step 1.
- Step 5: The Bond Authorization for the CFD shall be reduced by an amount equal to the amount determined in Part B, Step 4 multiplied by a factor of 1.15.

Combine the amount from Part A Step 5 with the amount from Part B Step 4 to arrive at the total prepayment amount.

8. Appeals

Any taxpayer that feels that the amount of the Special Tax assigned to a Parcel is in error may appeal the levy of the Special Tax by filing a notice with the District. The District will then promptly review the appeal and, if necessary, meet with the applicant. If the District verifies that the tax should be modified or changed, a recommendation at that time will be made to the Board and, as appropriate, the Special Tax levy shall be corrected and, if applicable in any case, a refund shall be granted.

Interpretations may be made by Resolution of the Board for purposes of clarifying any vagueness or ambiguity as it relates to the Special Tax rate, the method of apportionment, the classification of properties or any definition applicable to the CFD.

9. Collection of Annual Special Tax

The Special Tax will be collected in the same manner and at the same time as the *ad valorem* property taxes; provided, however, that the District or its designee may directly bill the Special Tax and may collect the Special Tax at a different time, such as on a monthly or other periodic basis, or in a different manner, if necessary to meet its financial obligation.

The District may also require the payment in full of current Fiscal Year Special Taxes at the time of the recordation of a subdivision map, lot line adjustment, or other process that changes the boundaries of a Parcel within the CFD.
