

Olivehurst Public Utility District

Agenda Item Staff Report

Meeting Date: 06/01/2021

Item description/summary:

Discuss naming two parks in River Oaks South

Per the Board's direction from the last Board meeting, a poll was created on SurveyMonkey and distributed via social media for input on park names. We have had over 250 responses to the survey. I have attached the SurveyMonkey analysis screen which shows the park names and number of votes. The only legitimate suggestion in the "other" response category was for the Tyler Phillips Memorial Park. It was suggested 11 times. The survey has been updated to include this as an option but at this point we may not see too many more survey responses.
