## Agenda Item Staff Report

Meeting Date: July 8, 2021

### Item description/summary:

**South County Infrastructure Update.** This item has been discussed in numerous Board meetings and committees. We are continuing on the design, CEQA and property entry/acquisition. The reimbursement agreement is now scheduled to go before the Wheatland City Council for final approval. We still have a few properties that we need to gain access to that we are unable to establish contact of the owner or do not receive the signed permission to enter the property. We are trying to gain access by contacting the owners locally. We are looking into changing the location of the required lift station on McGowan Parkway because we were unable to gain access to the 1<sup>st</sup> choice site.
