OLIVEHURST PUBLIC UTILITY DISTRICT
Water and Wastewater Committee Report

Date/Time: Wednesday, May 1st, 2019 at 5:45 p.m.
Directors: Floe and Griego
Location: General Manager’s Office, 1970 9th Avenue, Olivehurst, CA, 95961

Materials related to an item on this agenda submitted to the Olivehurst Public Utility District Board of Directors after distribution of the agenda packet are available for public inspection on the Olivehurst Public Utility District website, http://www.opud.net. Effort will be made to address the agenda items in the order shown. However, the Board President has the discretion to address items out of sequence for the convenience of the public and/or the Board Members.

The following items were scheduled for discussion:

1. Discuss policies and practices OPUD could adopt to help mitigate the costs of constructing affordable housing. (Strategic Plan 2018-2023, 1.0)

   General Manager and Staff reported to Directors that a list of eligible infill properties had been transmitted to an interested developer, and that other developers were interested in receiving copies as well.

   Forwarded item(s): None
   Staff Direction: None
   Staff Report Requested: None

2. Receive update on annexation of the Industrial, Sports and Entertainment Zone for water, sewer and parks (Strategic Plan 1.0).

   General Manager reported that Staff conducted a meeting with an interested developer, representatives from Yuba County, a representative from the Yuba Water Agency, and others. General Manager informed Directors of pledged support from various entities, and discussions of what steps would be necessary to annex the area. General Manager, Water Department Manager, and Directors discussed the logistics of water and wastewater services to the area.

   Forwarded item(s): Receive update on annexation of the Industrial, Sports and Entertainment Zone for water, sewer and parks (Strategic Plan 1.0).
   Staff Direction: None
   Staff Report Requested: General Manager

3. Discuss steps towards mitigating inflow and infiltration issues in the wastewater collection system.

   Wastewater Chief Plant Operator informed Directors that a local contractor had provided information to the Wastewater Department regarding alternative repair methods for manhole issues, and that the method and materials described fixed the issue. Wastewater Chief Plant Operator discussed plans for other repairs, as well as communications with developers regarding required repairs. Modifications to the current ordinance covering wastewater system use were discussed.

   Forwarded item(s): Discuss steps towards mitigating inflow and infiltration issues in the wastewater collection system.
   Staff Direction: None
   Staff Report Requested: Wastewater Chief Plant Operator
4. Discuss the purchase of a new CASE skid steer with additional Brown Bear attachment for the Wastewater Department.

Wastewater Chief Plant Operator reported that the skidsteer in the Wastewater Department required replacement, and that money has been set aside for the replacement. Wastewater Chief Plant Operator provided the costs of both items to Directors.

Forwarded item(s): Discuss the purchase of a new CASE skid steer with additional Brown Bear attachment for the Wastewater Department.
Staff Direction: None
Staff Report Requested: General Manager

5. Discuss Community Outreach events per the District’s Strategic Plan. (Strategic Plan 2018-2023, 2.0)

Public Works Engineer provided information regarding public information signs that would provide the community with water conservation tips, as well as funding methods and sign preferences.

Forwarded item(s): None
Staff Direction: None
Staff Report Requested: None

6. Wastewater Treatment Facility Status Report
   a. Staff report – Wastewater Chief Plant Operator gave a report
