Agenda Item Staff Report

Meeting Date: 09/29/2020

Item description/summary:

Discuss possible grant workshop meeting dates for the Prop 68 Park Grant Application.

Based on previous board input at committee and board meetings, I will be applying for Prop 68 money for Tahiti Village park as well as both of the community parks. Recall that Prop 68 requires community based meetings to get input from the community on amenities and design aspects for the park. Previous round's applications do not require more meetings if the scope stays the same. Due to COVID, the meetings are likely to be web based. Below are a tentative list of dates and times, pending board comment.
