

# Olivehurst Public Utility District

## Agenda Item Report

**Meeting Date: September 19, 2024**

### Item description/summary:

**Consider approving the proposed request by Elite FC for storage containers.**

Elite FC would like to add storage containers to Riverside Meadows Park, Richard Donahue Park, and Olivehurst Community Park. Jesus has surveyed the locations and has determined the following:

1. Riverside Meadows Park: Container not acceptable.
2. Richard Donahue Park: Container acceptable, behind the baseball field. Color: brown or green. Size: 6' L x 4' H x 3' W
3. Olivehurst Community Park: Container acceptable, behind the bathrooms. Color: brown or green. Color: brown or green. Size: 6' L x 4' H x 3' W. Possible, Large 20-foot container cornering the pool and the tennis court.

Olivehurst Community Park has a storage room that is in the same building as the two restrooms.

### Fiscal Analysis:

### Employee Feedback

Jesus recommends that Elite FC use the storage room that is located with the restroom facility at Olivehurst Community Park instead of bringing in a storage container. He also recommends that a storage container not be placed at Riverside Meadows Park as there is no acceptable place to add one that won't compromise the landscaping or the picnic area.

### Sample Motion:

Move to approve the request by Elite FC to add a storage container to Richard Donahue Park.
