## Agenda Item Staff Report

Meeting Date: January 21, 2021

### Item description/summary:

**Update of OPUD CFD 2005-2 for adding parcels and consideration of increasing the annual levy amount.** This item has been discussed numerous times in committees and Board meetings. After careful research of the CFD's original hearing report prepared by EPS and followed by calculations for the current shortfall I would suggest taking this item back to committee for additional discussion and vetting.
