## Agenda Item Staff Report

**Meeting Date: September 16, 2021**

### **Item description/summary:**

**OPUD Pool Repair Update.** These items have been discussed in committees. The prop 68 competitive grant is unaffected by our pool repair project being completed before possible grant award in that we can submit a reimbursement request. We have therefore started the project for a completion early fall of this year. I was contacted by the County about the use of a "recreation trust fund" with approximately \$9,000 in it available for our use. I informed them that we could use the money for the pool repair. It will be available about next February according to the County.

### **Fiscal Analysis:**

As described above.

### **Employee Feedback**

None

### **Sample Motion:**

Information only.
