Subject: Fiscal Year 2018-19 Technical Support; EPS #182122

Dear John:

Economic & Planning Systems, Inc. (EPS) would appreciate the opportunity to provide technical support to the Olivehurst Public Utility District (District) during the 2018-19 fiscal year related to prior studies prepared by EPS, fee programs developed with EPS’s assistance, developer negotiations, and other tasks as required.

EPS currently provides technical support for Mello-Roos Community Facilities Districts (CFDs) formed by the District. This contract would provide assistance related to other District programs not covered by existing contracts for the CFDs.

EPS has provided technical support to the District since the early 2000s with relation to impacts on the District coming from new development. The proposed scope of work for this proposal is discussed below.

Scope of Work

EPS will assist the District on an “as-needed” basis during the current fiscal year in the areas shown below, and others as needed:

- Assistance with fee program administration.
- Assistance with developer negotiations and interpretations of past agreements related to new development.
- Assistance with reconciliation of fee program funds or accounts.
- Other related areas of EPS expertise, as needed.
**Key Personnel**

Managing Principal Jamie Gomes will serve as Principal-in-Charge of this project and will provide guidance and input as needed. Senior Vice President Russ Powell will serve as Project Manager and will conduct the day-to-day management of this project. Additional EPS staff may assist in identifying, collecting, and analyzing data.

**Schedule**

EPS will begin working on this project as soon as contract approval is received, and EPS will provide you with accurate information and work products on a schedule that meets your needs.

**Budget**

The estimated budget to complete this work is **$7,500**. EPS charges for its services on a direct-cost (hourly billing rates plus direct expenses), not-to-exceed basis; therefore, you will be billed only for the work completed up to the authorized budget amount. Travel, data, or reproduction expenses will be billed at cost, and invoices are submitted monthly and are payable on receipt. If additional work or meetings are required, EPS will request authorization for additional budget with the understanding that terms will be negotiated in good faith. EPS’s Hourly Billing Rates and Standard Terms and Conditions are attached as part of this letter agreement.

Again, EPS would appreciate the opportunity to work on this project. To approve this proposal, please sign below, return a signed copy of this letter agreement to EPS, and keep another copy for your records. If you have questions or require changes to this proposal, please call Project Manager Russ Powell at (916) 649-8010.

Sincerely,

**ECONOMIC & PLANNING SYSTEMS, INC. (EPS)**

Russ Powell  
Senior Vice President

6. Publication, Reproduction, and Use of Material

CLIENT may publish, distribute, or otherwise use any data, information, reports, or other materials prepared under this Agreement by CONSULTANT (CONSULTANT Work Product), in whole or in part, for purposes of this project (as described in an attached Work Order). This authority does not apply to any computer models or software used or developed as a result of this contract, unless a separate agreement is signed concerning the disposition of such materials or compelled by legal process. 10. Audits and Inspections

On reasonable notice, CLIENT may inspect any books, records, or other materials that pertain directly to this Agreement.

11. Compensation for Testimony and Preparation Thereof

If any legal action is brought in connection with the Agreement, other than an action that is solely the result of the incompetence or malfeasance by CONSULTANT, by or against a third party, and CLIENT requests that CONSULTANT or a SUBCONSULTANT, (or if CONSULTANT or a
SUBCONSULTANT is otherwise required) to testify, provide information, produce materials, or otherwise spend time on such action, then CLIENT shall pay CONSULTANT or SUBCONSULTANT for time expended at their standard rates then in effect, plus advance all related expenses and costs, including, but not limited to, reasonable attorneys’ fees. Such compensation shall be in addition to the maximum charge for services defined in the Agreement.

12. Termination of Agreement

The CLIENT may, at its option, elect to cancel the contract at any time, by notice to CONSULTANT, on completion of any task described in the scope of services. In such event the CLIENT will pay to the CONSULTANT the amount due by virtue of completion of the products therefore delivered. In addition, the CONSULTANT shall be reimbursed (in addition to the payment) for that portion of the actual out-of-pocket costs not otherwise reimbursed under this Agreement previously incurred by the CONSULTANT during the period of the Agreement, which are directly attributable to the incomplete portion of the services covered by this Agreement.

In addition, the conclusions reached by CONSULTANT are based on the assumption that no significant changes in project conditions will occur beyond those expressly discussed in CONSULTANT Work Product. CONSULTANT shall be able to rely on information provided to it by the CLIENT, and CONSULTANT shall have no responsibility to audit or otherwise verify such information.

18. Governing Law

This contract will be governed by and construed in accordance with the laws of the State of California.

19. Notice

Notice given under the terms of this Agreement shall be in writing and shall be effective the day it is mailed, properly addressed, to the party to receive such notice. Notice delivered other than by mail shall be effective when received. Any change of address of either of the parties shall be effective on receipt of notice of such change by the opposite party.
