

# Olivehurst Public Utility District

## Agenda Item Staff Report

**Meeting Date: May 16, 2019**

**Item description/summary:**

Yuba County recently went out to bid for its overlay project taking place later this year. In their bid, Yuba County included a "piggyback", or an alternate, to lower and raise OPUD infrastructure as needed. This alternate is likely cheaper than OPUD going out to bid on their own for the project and ensures that the same contractor (Teichart) will be doing all work on the project. The alternate to lower and raise OPUD infrastructure would cost OPUD \$74,500.

**Fiscal Analysis:**

Money for raising iron projects was budgeted for in the 2018-2019 budget.

**Sample Motion/Staff Recommendation:**

Move to accept the bid alternate for Raising OPUD Iron proposed by Yuba County.

Prepared by:

Christopher Oliver, Public Works Engineer
