Committee Report

Meeting Date: February 5, 2019

Item description/summary:

Hard Rock Fire Mountain Casino: Mark Birtha CEO, Carl Baker Director of security & transportation has invited myself, and the training officer of the fire department to Hollywood Hard Rock Casino in Florida. We will observe the daily operation of the Casino and fire department. This training will give us the tools we need to implement into our daily operations and training for casino response. There will be a cost to the trip, however the cost will be paid by the admin money that has been collected from the casino project. There will be no money spent from tax payers. We are looking at leaving February 19th, the training will take place on 20th and 21st 2019.
