

OLIVEHURST PUBLIC UTILITY DISTRICT

RESOLUTION NO. 2398

**A RESOLUTION OF THE BOARD OF DIRECTORS OF THE
OLIVEHURST PUBLIC UTILITY DISTRICT APPROVING THE
NORTH PLUMAS LAKE COMMUNITY FACILITIES DISTRICT
NO. 2005-2 TAX REPORT FOR FISCAL
YEAR 2022-23 AND LEVYING AND APPORTIONING THE
SPECIAL TAX FOR FISCAL YEAR 2023-23 AS PROVIDED THEREIN**

WHEREAS, the Board of Directors (the "Board") of the Olivehurst Public Utility District (the "District") has previously established the North Plumas Lake Community Facilities District No. 2005-2 (Park Maintenance) (the "CFD No. 2005-2") pursuant to Resolution No. 2101 (the "Resolution"), duly adopted by the Board on September 15, 2005, for the purpose of providing for the financing of certain Facilities in and for the District; and

WHEREAS, on September 15, 2005, the qualified electors of the CFD No. 2005-2 approved the levy of a special tax; and

WHEREAS, the North Plumas Lake Community Facilities District No. 2005-2 Tax Report Fiscal Year 2022-23 (the "2022-23 Tax Report") has been submitted to the Board and the Board has determined to approve the 2023-23 Tax Report, and

WHEREAS, pursuant to Section 53340 of the Government Code of the State of California, the Board is authorized to levy the special tax at the rates specified in the 2022-23 Tax Report, subject to final verification of the taxable parcel data, provided that a certified copy of this Resolution and a list of all parcels subject to the special tax with the 2022-23 Tax Report to be levied on each parcel is filed with the Yuba County Auditor on or before *August 10, 2022*.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS
OF THE OLIVEHURST PUBLIC UTILITY DISTRICT, AS FOLLOWS:**

Section 1. The 2022-23 Tax Report, in the form submitted to this meeting and on file with the Board is hereby approved and adopted. The General Manger of the District, or his designees, are hereby authorized to make changes to the 2022-23 Tax Report before it is filed with the Yuba County Auditor as provided in Section 4 and to make changes in response to appeals from taxpayers in order to correct errors in the application of the special tax to particular parcels.

Section 2. Pursuant to Section 53340 of the Government Code of the State of California, a special tax is hereby levied at the rates specified in the 2022-23 Tax Report, as adjusted based upon the final verification of the taxable parcel data, and is hereby apportioned in the manner specified in the Resolution (and as more particularly described in the 2021-22 Tax Report). This charge is levied without regard to assessed valuation of the property being charged.

Section 3. Pursuant to section 53313 of the Government Code of the State of California, the special tax is authorized to fund park maintenance services. Eligible costs include, but are not limited to, salaries and benefits of District staff; District overhead costs; costs of contracting services; costs of acquiring, maintaining, and replacing necessary maintenance equipment and supplies; and utility costs associated with providing park maintenance services in the CFD No. 2005-2.

Section 4. The Clerk of the District shall deliver a certified copy of this resolution together with a list of all parcels subject to the special tax levy with the 2022-23 Tax Report to the Yuba County Auditor not later than *August 10, 2022*

Section 5. The Clerk of this Board of Directors is hereby directed to enter this resolution on the minutes of this Board of Directors, which shall constitute the official action of this Board of Directors.

PASSED AND ADOPTED this 16th day of June, 2022.

OLIVEHURST PUBLIC UTILITY DISTRICT

President, Board of Directors

ATTEST:

District Clerk & ex-officio Secretary

APPROVED AS TO FORM AND LEGAL
SUFFICIENCY

Legal Counsel

1. Introduction

Background

The Olivehurst Public Utility District (District) initially formed a Mello-Roos Community Facilities District (CFD) to fund park maintenance in the Wheeler Ranch development in 2005. The North Plumas Lake CFD No. 2005-2 was formed by the District Board of Directors on September 15, 2005.

The District recognized that the portion of the assessment levied and collected by Yuba County (County) for County Service Area (CSA) 66 and designated for park maintenance was not sufficient to fully fund the cost of maintaining parks in Wheeler Ranch. The CFD was formed to provide additional funding to maintain parks in the event the CSA would not provide sufficient funding of park maintenance costs.

The District recognized that other new developments within its boundaries of the CSA would also face similar funding shortfalls, and, as such, required the annexation of certain new development projects into the CFD. The following development projects have been annexed into the CFD as separate “zones of benefit” (Zones):

- Wheeler Ranch
- Cobblestone Phase 2
- Village 16
- River Oaks East Phase 2
- River Oaks East Phase 3
- River Oaks North Village 1
- River Oaks North Village 2
- River Oaks South Village 1
- River Oaks South Village 2
- River Oaks South Village 3
- Draper Ranch North
- Thoroughbred Acres
- Feather Glen

The Wheeler Ranch Zone was originally levied a special tax under the CFD to date, as it is the only Zone currently benefitting from District parks. There are park maintenance funding shortfalls for these Zones under the CSA, so this levy under the CFD is being proposed to fund costs of park maintenance shortfalls for Fiscal Year (FY) 2022-23.

This report serves as the annual report for the purposes of levying the CFD special tax for FY 2022-23.

The Projects and CFD

The Wheeler Ranch Zone has an approved tentative map that would create 1,140 single-family residential units. Final maps have been recorded for Phase I of Wheeler Ranch, creating 665 single-family residential lots.

The Cobblestone Phase 2 Zone has a final map which has created 159 single-family residential lots. The Village 16 Zone has a final map which has created 155 single-family residential lots.

River Oaks East Phase 2 had a final map for 94 single-family residential lots and became taxable under the CFD for FY 2020-21.

River Oaks East Phase 3 (71 lots), River Oaks North Villages 1 and 2 (94 lots) River Oaks South Village 1 (83 lots), River Oaks South Village 2 (72 lots), and River Oaks South Village 3 (94 lots) has final maps recorded and will be taxable for FY 2021-22.

Thoroughbred Acres (158 lots), Draper Ranch North (98 lots), and Feather Glen (72 lots) will be taxable for Fiscal Year 2021-22.

The CFD is authorized to levy a special tax up to the maximum annual special tax to fund the costs of maintaining parks located in the CFD. This report will discuss the funding requirements for park maintenance in the CFD and then show the calculation of the required special tax levy for FY 2021-22.

Organization of this Report

This report serves as the Annual Tax Report required by the Mello-Roos Act. This report discusses parcels included in the CFD, the calculation of annual costs, and the allocation of the special tax to parcels. **Chapter 1** provides an introduction to the report. **Chapter 2** discusses CFD land uses. **Chapter 3** discusses annual CFD costs. **Chapter 4** discusses park maintenance revenues, the maximum annual special tax, and the special tax levy.

There is one exhibit attached to the report. **Exhibit A** contains the list of all CFD parcels and the proposed amount of special tax levy for FY 2022-23.

2. CFD Land Uses

The area included within the boundaries of the CFD consists of the following development projects:

- Wheeler Ranch
- Cobblestone Phase 2
- Village 16
- River Oaks East Phase 2
- River Oaks East Phase 3
- River Oaks North Village 1
- River Oaks North Village 2
- River Oaks South Village 1
- River Oaks South Village 2
- River Oaks South Village 3
- Draper Ranch North
- Thoroughbred Acres
- Feather Glen

There are a total of 1,815 developed parcels in Wheeler Ranch, Cobblestone Phase 2, Village 16, River Oaks East Phase 2, River Oaks East Phase 3, River Oaks North Villages 1 and 2, River Oaks South Villages 1-3, Draper Ranch North, Thoroughbred Acres, and Feather Glen. Only developed parcels in these Zones will be taxed in the CFD.

Table 1 shows the thirteen Zones that will be subject to the special tax levy in FY 2022-23.

New Taxable Parcels for FY 2022-23

No new developments will be added as taxable parcels for FY 2022-23.

Subdivisions Creating New Taxable Parcels for FY 2021-22

No new subdivisions were added for FY 2022-23.

Table 1

3. Determination of Annual CFD Costs

Compute the Annual Costs of the CFD

The total annual costs for the CFD spread over the Zones are the total dollar amount of expenditure items that must be funded in FY 2022-23. The total annual costs for FY 2022-23 are \$177,810, as shown in **Table 2**. The annual costs for the CFD for FY 2020-21 were \$105,850.

Annual costs consist of the following items:

1. Park maintenance costs.
2. Administrative expenses.
3. LESS estimated revenues from CSA 66 assessment for park maintenance.

Park Maintenance Costs

Total estimated park maintenance costs for all Zones for FY 2022-23 are \$475,436.34. Estimated park maintenance costs consist of those services that were authorized in the formation documents for the CFD. Typical costs of the CFD are the salaries and benefits of employees performing park maintenance functions; costs for any contracts for services related to the maintenance of parks; purchase, maintenance, and replacement of equipment required to maintain parks; and utility costs.

Administrative Expenses

The District may levy special taxes to cover administrative expenses associated with the costs of administering the CFD. Administrative costs consist of, but are not limited to, District staff costs, tax administrator costs, legal fees, and County special tax collection fees. Total administrative expenses of the CFD are estimated to be \$11,000 for FY 2022-23.

Less CSA 66 Revenues

The CFD was formed to provide additional funding for park maintenance where CSA 66 does not provide sufficient funding for proper maintenance of park facilities. It is estimated that CSA 66 will generate \$358,906.34 in revenue for park maintenance. This will be discussed further in the next chapter.

Total Estimated Annual CFD Costs for FY 2022-23

Total estimated annual CFD costs for FY 2022-23 are total park maintenance costs, plus administrative costs, *LESS* estimated CSA 66 revenue. The net amount for CFD annual costs for FY 2022-23 is \$177,810. This is the amount that must be levied under the CFD to provide supplemental revenue to fully fund the costs of park maintenance.

"costs"

Sources: Olivehurst Public Utility District and EPS.

[1] This is the estimated CSA 66 revenue from **Table 3**.

[2] The Special Tax Formula stipulates that the annual special tax levy for the CFD is determined by estimating total maintenance costs, then subtracting estimated revenue to be generated by CSA 66 for the zone. The net result is the amount of annual CFD costs that must be funded through the levy of the special tax under the CFD.

[3] From **Table 6**.

4. Park Maintenance Revenues, Maximum Annual Special Tax, and Special Tax Levy

This chapter will discuss the estimated CSA 66 assessment for park maintenance for FY 2022-23, the maximum annual special tax of the CFD for FY 2022-23, and the calculation of the annual special tax levy for FY 2022-23 based on the CFD costs discussed in the previous chapter.

Estimated CSA 66 Revenue

The Engineer's Report for CSA 66 from February 3, 2004, established an assessment to fund the costs of providing services to developing areas in Plumas Lake. The assessment funded the cost of maintaining roads, landscaping, streetlights, parks, drainage, and soundwalls. The assessment also funded fire protection services. In the base year of 2004, the portion of the assessment that was allocated to park maintenance was \$126.67 per parcel. The Engineer's Report stipulated that the park assessment would be increased by the Consumer Price Index (CPI) San Francisco CPI, All Urban Consumers in each year thereafter.

Table 3 shows the FY 2021-22 assessment for park maintenance in CSA 66 of \$188.98. CPI has increased 5.1 percent in 2021. Applying this increase in CPI to the FY 2020-21 assessment of \$188.98 results in a \$198.62 per unit assessment for park maintenance for FY 2022-23.

There are 1,807 developed parcels in CSA 66 that are also in the boundaries of the CFD. Therefore, the total estimated revenue from CSA 66 for park maintenance in FY 2022-23 is \$358,906.34 (see **Table 3**). This amount is used to reduce the amount required for park maintenance in **Table 2**.

Annual Escalation Factor for the Maximum Annual Special Tax

The Special Tax Formula instructs the administrator of the CFD to increase the maximum annual special tax by the greater of the three indices listed below:

- CPI, San Francisco CPI, All Urban Consumers.
- CPI, San Francisco CPI, Urban Wage Earners.
- CPI, Pacific West Cities CPI, Urban Wage Earners.

The base year for the CFD was FY 2004-05. **Table 4** shows the annual CPI increase for the maximum annual special tax based on the above-referenced criteria.

"cpi"

[1] The Special Tax Formula states that the maximum annual special tax is increased annually by the greater increase in the three indices shown.

Source: State of California Division of Labor Statistics & Research.

Increase of the Maximum Annual Special Tax by the Tax Escalation Factor

The base year maximum annual special tax for the CFD was \$220 for a single-family residential lot. Increasing the base maximum annual special tax by the tax escalation factors shown in **Table 5** provides the maximum annual special taxes for each fiscal year from the base year. The maximum annual special tax for a developed parcel is \$355.29 for FY 2022-23. The combined levy of the CSA 66 assessment AND the CFD may not exceed this amount, according to the Special Tax Formula. If the County were not to collect the full authorized amount of park assessment under CSA 66 in any fiscal year, the District could increase the amount of the CFD special tax levy up to the maximum annual special tax calculated for that given fiscal year to fully fund park maintenance costs.

Compute the Special Tax Levy for FY 2022-23

The Special Tax Formula instructs the administrator to first determine the annual costs of the CFD. The estimated annual costs of the CFD (as shown in **Table 2**) are \$177,810. The amount of special tax that can be collected by levying the special tax up to the maximum rate will equal the amount of annual costs shown in **Table 2**. **Table 2** shows the maximum annual special tax revenue from the 1,807 developed parcels in the CFD is \$642,009.03. This amount comes from **Table 6**. The annual CFD costs will result in developed parcels in the Wheeler Ranch Zone being levied at 36.59 percent of the maximum annual special tax. Developed parcels in the remaining Zones will be levied at 22.52 percent of the maximum annual special tax from developed parcels. Therefore, only developed parcels will be assigned the special tax levy, as the maximum special tax revenue from developed parcels is greater than the annual CFD costs. If the annual CFD costs were greater than the maximum special tax revenue from developed parcels, the District could levy a special tax on undeveloped parcels.

Applying the approximately 25.33 percent and 11.26 percent factors to the maximum annual special tax of \$355.29 generates a special tax levy requirement of \$90.00 for the Wheeler Ranch Zone and \$40.00 for all remaining Zones (as shown in **Table 6**) per developed parcel for FY 2022-23.

Amount of Special Taxes to Be Levied in FY 2022-23

Exhibit A shows the amount of special tax to be levied for each taxable parcel in FY 2022-23.

Table 5
