

Olivehurst Public Utility District

Agenda Item Staff Report

Meeting Date: May 21, 2026

Item description/summary:

Adoption of the 2025 Urban Water Management Plan (UWMP).

OPUD staff and our consultant JLR Environmental, have been working on the 2025 UWMP for the past few months and the final draft has been released for public review since 4/14/2026. It is the intention tonight to provide the board and the public with a presentation of the 2025 UWMP, field any public comments and subsequently close the public hearing for this draft of the 2025 UWMP. Once the public hearing is complete, the Board can then consider adoption of the 2025 UWMP and direct staff to submit the document to the State for approval. This is required by state law to be updated every 5 years and must be in place to receive loans and grants from most federal and state agencies. Our last UWMP was adopted and certified in January 2022.

Fiscal Analysis:

Funding by water capacity fee admin.

Employee Feedback

None

Sample Motion:

Move to approve OPUD resolution number 2460 adopting the 2025 Urban Water Management Plan.

Prepared by:

Swarnjit Boyal, Public Works Manager

EXHIBIT A – 2025 UWMP (DRAFT)

OLIVEHURST PUBLIC UTILITY DISTRICT

RESOLUTION NO. 2460

**RESOLUTION OF THE BOARD OF DIRECTORS OF
OLIVEHURST PUBLIC UTILITY DISTRICT (the District) TO ACCEPT AND
ADOPT:**

- **THE 2025 URBAN WATER MANAGEMENT PLAN, AS REQUIRED BY THE URBAN WATER MANAGEMENT PLANNING ACT AND THE CALIFORNIA WATER CODE; AND**
- **THE UPDATED WATER SHORTAGE CONTINGENCY PLAN, AS REQUIRED BY THE CALIFORNIA WATER CODE.**

RECITALS

WHEREAS, California Water Code (CWC) Section 10620 Urban Water Management Planning requires all urban water suppliers to prepare and adopt an Urban Water Management Plan (UWMP) and update said plan at least once every five years; and

WHEREAS, an urban water supplier is defined by CWC Section 10617 as "...a supplier, either publicly or privately owned, providing water for municipal purposes either directly or indirectly to more than 3,000 customers or supplying more than 3,000 acre-feet of water annually"; and

WHEREAS, the District is currently providing water for municipal purposes to approximately 9,120 customer connections and supplied approximately 4,591 acre-feet of water in 2025 and therefore meets the definition of an urban water supplier; and

WHEREAS, the District's most recent Urban Water Management Plan update was adopted in January 2022; and

WHEREAS, Senate Bill 606 and Assembly Bill 1668, passed in 2018, set new requirements for a Water Shortage Contingency Plan (WSCP) which must be adopted by the governing body and must include six standard water shortage levels considering up to and greater than a 50 percent water supply shortage in accordance with CWC Section 10632; and

WHEREAS, the customers of the District used approximately 129 gallons per capita per day (GPCD) in 2025 and the District has achieved its 2020 (Final and latest requirements) target per capita water use of 167 GPCD per Senate Bill SB X7-7; and

WHEREAS, an UWMP is to generally describe (1) the existing and projected water supply and demand, (2) water conservation measures, including a schedule for implementation and means for evaluating effectiveness; and (3) water supply reliability and water shortage contingency measures over a 20-year planning horizon; and

WHEREAS, as an urban water supplier, the District has prepared a 2025 UWMP and updated Water Shortage Contingency Plan that complies with the requirements of the Urban Water Management Planning Act and the California Water Code; and

WHEREAS, the District provided the draft 2025 UWMP and updated Water Shortage Contingency Plan to Yuba County and placed copies for public review at the District's office and on the District's website as required by CWC Section 10642; and

WHEREAS, the District provided 60-day notices to Yuba County, neighboring water suppliers and other agencies, and published notices in the Territorial Dispatch that a public hearing regarding the draft 2025 UWMP and updated Water Shortage Contingency Plan would be held at which public comment on the plans would be received, as required by CWC Section 10642; and

WHEREAS, a public hearing was conducted that allowed community input on the 2025 UWMP and the updated Water Shortage Contingency Plan.

NOW THEREFORE, BE IT RESOLVED that the Olivehurst Public Utility District Board of Directors does hereby accept and adopt the OPUD 2025 Urban Water Management Plan; and

BE IT FURTHER RESOLVED that the Olivehurst Public Utility District Board of Directors does hereby accept and adopt the updated OPUD Water Shortage Contingency Plan.

PASSED AND ADOPTED this 21st day of May 2026

OLIVEHURST PUBLIC UTILITY DISTRICT

President, Board of Directors
Olivehurst Public Utility District
