### Item description/summary:

Consider approving the special event request made by Metanoia Community Church for Hot Summer Nights at the Olivehurst Community Pool.
Metanoia Community Church would like to host a Hot Summer Nights event for the youth at the Olivehurst Community Pool every Friday evening from 5:00pm – 8:00pm during the summer. The event would be held for those in junior high and high school. They are requesting to play music on a speaker and possibly have a DJ present. They are considering serving food, but only in the designated areas. It would allow the youth to gather in a place where they can enjoy their time and swim.
Fiscal Analysis:
The costs associated with the Lifeguards would need to be factored in.
