

Olivehurst Public Utility District

Agenda Item Staff Report

Meeting Date: June 16, 2022

Item description/summary:

Appropriation Limit 2022-23. Article XIII B of the California Constitution places limitations on the annual appropriations of the State and each local government. Pursuant to Government code Section 7910, the Board of Directors must establish the District's Appropriation limit at regularly scheduled or special meeting. The District's Appropriations Limit for Fiscal Year 2022-23 is set at \$3,805,896.05

Fiscal Analysis:

The limit for any fiscal year is equal to the previous year's limit, adjusted for population changes and by a cost of living factor. The necessary statistical information is provided by the California Department of Finance in May of each year. Each local jurisdiction must use their percentage change in population factor for January 1, 2022 in conjunction with a change in the cost of living, or price factor, to calculate their appropriations limit for fiscal year 2022-23.
