

OLIVEHURST PUBLIC UTILITY DISTRICT

RESOLUTION NO. 2080

**RESOLUTION OF THE BOARD OF DIRECTORS OF
OLIVEHURST PUBLIC UTILITY DISTRICT
ESTABLISHING FEES AND CHARGES FOR REVIEW AND
ADMINISTRATION OF NEW CONNECTIONS**

WHEREAS, Olivehurst Public Utility District is a public utility district formed and existing in accordance with the provision of Division 7 of the Public Utilities Code of the State of California; and

WHEREAS, the intense pace of development within the District requires the District to establish rules for the collection of fees from the costs to the District attributable to authorizing, inspecting, and approving requests for new connections, including the maintenance of accounts and records of fund balances established by developers to prepay fees for a block of new connections,; and

WHEREAS, the Board of Directors of Olivehurst Public Utility District desires to establish a schedule of fees and charges by which special services required for installation of new connections within the District will be assessed to those who require such services from the District.

NOW, THEREFORE, BE IT RESOLVED:

1. District shall levy a connection charge, which shall include the following components:
 - The physical cost of labor and materials, if any, of actually making a physical connection of a new customer to the water and sewer facilities of the District.
 - The direct cost of any necessary plan checks, review, inspections and/or other administrative services required to make, inspect, and administer new connections to the District's system.

BE IT FURTHER RESOLVED that the fees for engineering, plan check, and inspection services for new connections that are provided by the District, shall be the actual costs, whether consultant or employee, incurred by the District in providing services required to design, approve, install, inspect, and administer new connections.

BE IT FURTHER RESOLVED that the schedule of rates and charges applicable to the

foregoing described services, which shall be collected at the time that an occupancy permit is requested and/or services for a new connection are requested, shall be as set forth in Exhibit A attached hereto.

BE IT FURTHER RESOLVED that Exhibit "A" is subject to amendment from time to time by the Board of Directors of the District as the District views appropriate.

PASSED AND ADOPTED this 20th day of January 2005.
